Issued Weekly — free sample

Boston, Massachusetts · November 15–21, 2026 · 5 of 73 kitchen and bath jobs

This is a free sample of five residential kitchen and bathroom permits the City of Boston issued in November 15–21, 2026, taken from the official Approved Building Permits open dataset (Open Data Commons PDDL). The full week had 73 kitchen and bath jobs. Subscribers get every row — exact address, permit link and declared value — as a CSV and PDF every Monday, from $64/month. Names, phone numbers and emails are removed. An issued permit often means a contractor is already on the job. This is not a City of Boston product.
